

AMERI100 SECURES COMPETITIVE BIG DATA WIN WITH MAIDEN RE

- Deep Digital Subject Matter Expertise and Experience Generates Sustainable Competitive Advantages for Ameri100 in Fast-Growing SAP Services Market -

PRINCETON, N.J., February 15, 2018 -- AMERI Holdings, Inc. (NASDAQ: AMRH) (“Ameri100”), a specialized SAP® cloud, digital and enterprise services company, today announced that it has secured a competitive win to implement SAP Big Data analytics solutions with Maiden RE, a US based reinsurer providing property & casualty treaty, casualty facultative, and accident and health reinsurance. The win, reflective of Ameri100’s deep digital subject matter expertise, follows a successful business intelligence and analytics proof-of-concept project. Ameri100 will combine IoT techniques with Big Data techniques to integrate multiple sources of structured and unstructured data to offer Maiden RE a 360-degree view of its customers to enable it to drive product and service improvements and make better business decisions. The data collected will also set the groundwork for machine learning and artificial intelligence for risk assessment.

“With the proliferation of customer touchpoints – mobile, video customer support, online communities, social media platforms and more – and the resulting explosion in data, the use of Big Data analytics to discover deeper business insights and compete smarter is an imperative for enterprises seeking to enhance customer experiences, drive business decisions and enable new revenue streams,” said Brent Kelton, Chief Executive Officer of Ameri100. “As enterprises migrate to cloud-based software and services, the premier professional services practice and close partnerships we have established position us to compete effectively in the large and fast-growing SAP services market.”
