

AMERI100 LEVERAGES CLIENT BASE FOR FIRST SAP CLOUD PLATFORM AWARD

PRINCETON, N.J., March 8, 2018 -- AMERI Holdings, Inc. (NASDAQ: AMRH) (“Ameri100”), a specialized SAP® cloud, digital and enterprise services company, has been awarded a contract by Zekelman Industries (“Zekelman”), the largest independent steel pipe and tube manufacturer in North America and a leader in modular construction innovations, to develop a transportation optimization application using SAP Cloud Platform (“SCP”). Ameri100 will bring together its custom application development and SCP expertise to deliver a turnkey solution that enables Zekelman to offer innovative customer-focused and personalized logistics through the cloud. Previously, Zekelman had engaged Ameri100 to implement a custom SAP Hybris extension package

“This award reflects the strategic role we occupy in advancing clients’ cloud roadmaps and our continuing ability to win additional solution and higher-margin services awards from our existing client base,” stated Brent Kelton, Chief Executive Officer at Ameri100. “As organizations like Zekelman look to SCP to extend their business processes to the cloud quickly, easily and economically, we are prepared to meet their unique business requirements with our custom application services. We look forward to a long and productive relationship with Zekelman in deploying innovative cloud strategies to help it meet its business goals.”

“Zekelman Industries is focused on providing the best customer service experience to our customers. Part of that is ensuring that we deliver our products to our customers in a timely and efficient manner. We are excited about partnering with Ameri100 to develop key solutions to help us ‘Make it eZ’ for our customers,” said Jeff Shulman, VP of Logistics for Zekelman Industries.

Forward-Looking Statements

This press release includes forward-looking statements that relate to the business and expected future events or future performance of Ameri100 and involve known and unknown risks, uncertainties and other factors that may cause its actual results, levels of activity, performance or achievements to differ materially from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. Words such as, but not limited to, "believe," "expect," "anticipate," "estimate," "intend," "plan," "targets," "likely," "will," "would," "could," and similar expressions or phrases identify forward-looking statements. Forward-looking statements include, but are not limited to, statements about Ameri100's financial and growth projections as well as statements concerning our plans, predictions, estimates, strategies, intentions, beliefs and other information concerning our business and the markets in which we operate. The future performance of Ameri100 may be adversely affected by the following risks and uncertainties: the level of market demand for our services, the highly-competitive market for the types of services that we offer, market conditions that could cause our customers to reduce their spending for our services, our ability to create, acquire and build new businesses and to grow our existing businesses, our ability to attract and retain qualified personnel, currency fluctuations and market conditions around the world, and other risks not specifically mentioned herein but those that are common to industry. For a more detailed discussion of these factors and risks, investors should review Ameri100's reports on Form 10-K and other reports filed with the Securities and Exchange Commission (the "SEC"), which can be accessed through the SEC's website. Forward-looking statements in this press release are based on management's beliefs and opinions at the time the statements are made. All forward-looking statements are qualified in their entirety by this cautionary statement, and Ameri100 undertakes no duty to update this information to reflect future events, information or circumstances.
